

## **HAT (FASCINATOR) RECIPE**

1. Measure, pin and cut fabric  
Width - 7 inches on the double  
Length - 23inches.

2. Double thread before threading the needle.

Ensure that you have four strands.

Do not tie a knot at the end of the thread.

3. Fold both ends of the material from top to bottom in a triangle.

4. Beginning from 1 inch off the side and bottom end of the material, base the two ends of the material together along the length, leaving the end of the thread hanging - approx. 2 inches.

5. Pull both ends of the thread and secure tightly together.

6. Reinforce center by sewing.

7. Pin or sew flower over gathered end of the material.

8. On the opposite side of the flower (below), attach the side comb by sewing on, leaving approximately three sticks of the side comb free at each end.
